**A. Standard Courses (Each course about 2 hours)**

**A-1 Atomic Bomb Course**

At 11:02 a.m. on August 9, 1945, an atomic bomb exploded on Nagasaki, killing or injuring approximately 140,000 people and destroying many buildings. This tour takes you to the hypocenter, Peace Park, the Atomic Bomb Museum, and other sites, allowing you to experience firsthand the tragedy of the atomic bombing and reflect on the importance of peace.

**A-2 Dejima Course**

Dejima is an artificial island constructed in 1636 to prevent the spread of Christianity. The Portuguese and Dutch were confined to Dejima, where they conducted trade for approximately 217 years, serving as Japan's sole point of contact with the West.

**A-3 Glover Garden Course (World Cultural Heritage Sites)**

Thomas Glover was a British merchant from Scotland who arrived in Japan at the age of 23 (in 1863). He introduced the latest Western technology to the Kosuge Ship Dock and the Takashima Coal Mine, contributing to Japan's modernization.

**A-4 Suwa Shrine Course**

Suwa Shrine, founded in 1625, is the most prestigious shrine in Nagasaki. The surrounding area also bears traces of the Americans and French who visited Nagasaki during the late Edo and Meiji periods.

**A-5 Down Town Course**

You can choose from the following two tours, each of which is a 2-hour walking tour.

We can also customize the itinerary to suit your preferences.

**A-5-I China Route**

China Town → The Chinese Residential Quarter → Minato Park

**A-5-II Japan Route**

Shopping Area → The Former Geisha Town → Kotaiji Temple → Spectacle Bridge

**A-6 Atomic Bomb Remains Course**

This tour takes you to atomic bomb ruins scattered within a 500 to 800meter radius of the hypocenter, allowing you to experience firsthand the destructive power of the atomic bomb and the extent of the damage in each area.

**A-6-I East Route**

Hypocenter of the Atomic Bombing → Bell Tower of Urakami Cathedral → Medical Department Pillar → Atomic-Bombed Camphor Tree → Single-Pillar Torii Gate

**A-6-II West • North Route**

Shiroyama Elementary School → Yamazato Elementary School Air-Raid Shelter → Nyokodo → Takashi Nagai Memorial Museum → Hypocenter of the Atomic Bombing

**B. Other courses**

**B-1 Mt. Inasa Course (about 1.5 hours)**

Mount Inasa is located in the western part of the city and features a television tower at its summit. You can reach the summit by Rope Way or city bus, and from there you can enjoy a panoramic view of Nagasaki City. Mt. Inasa Park is accessible from the summit on foot or by slopecar it features playground equipment for children, and visitors can see deer and monkeys.

**B-2 Nagasaki Stadium City and Inasa Town Course (about 1.5 hours)**

Nagasaki Stadium City, completed in 2023, is a mixed-use complex centered around a soccer stadium and a basketball arena, featuring a shopping area, a brewery, and hot springs. Across the river in Inasa-Town lies the oldest Foreigners' Cemetery, where many Chinese, Russian, and Westerners are buried.

**B-3 Sotome Village Course (World Cultural Heritage Sites) (about from 4 to 6 hours)**

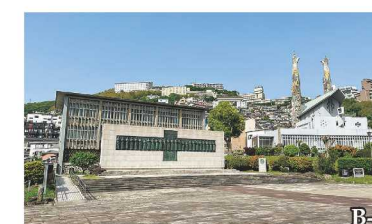

During the Edo period, when Christianity was banned, the Sotome region served as a refuge for hidden Christians. It was the setting for the Hollywood film \*Silence\*. In 1879, Marc Marie de Rotz was sent from France to the area, where he donated production facilities and a church for the benefit of poor farmers; he is regarded as a benefactor who saved this region.

**B-4 Christian martyrdom and Little Rome Nagasaki (about 3 hours)**

The Site of the Martyrdom of the 26 Saints is an official pilgrimage site of the Roman Catholic Church and has been visited by Saint John Paul II and Pope Francis. This tour traces the era when Nagasaki was known as "Little Rome."

**C. Customized Plan**

We can customize the above itineraries based on the length of your stay in Nagasaki, so please contact us via email. We will be happy to make suggestions. Additionally, while we are currently considering offering hands-on experience tours, please let us know if you are interested.
